At National / State / District level 117 students of our school won championships in various sports events in 2010 alone. With 23,000 sq.ft of a playground in our premises there is a plenty of scope for our Everwinning students to win laurels in almost all spheres of sports.

## MIND

### Preparing Minds for a Successful Career and a Peaceful Life

This is a noisy world for our kids with lot of disturbance and distraction from various quarters. We ease this mind congestion for our students through a compulsory yogo period a week.

## COMPASSION

### Lending a Helping Hand to the Needy

Our students collected Rs. 1 lakh towards Sri Lankan Tamils Welfare , met our Honble. Chief Minister Thiru Kalaignar M. Karunanidhi and handed over the fund.

## SUPREMACY IN ENGLISH

### Everwin and English are Simply Inseparable

Everwin is No.1 in English skills. This we do not proclaim. A person in the stature of City Police Commissioner vouched for it. Yes, our student P. Vasuki of Class VIII recently won the first prize in English elocution conducted by the Chennai City Police, convincingly defeating hundreds of students from North, South & Central Chennai.

Ask about Everwin anywhere. The first appreciation will perhaps be on our English standards. We make students right from kindergarten speak fluent and flawless English. Recently we conducted an unprecedented event called English on Show which was an instant hit among students and parents of all schools.
